We're going Back to the 90's! Join us for a totally rad evening featuring LIVE music from GenX JukeBox, a sit-down meal prepared by our very own Chef Scottie, and plenty of 90's nostalgia!

This year's theme is extra special — the HCMH Foundation was founded in the 1990s, and since that time, we've come a long way in supporting local healthcare. Your generous support over the years has helped fund major projects like the hospital addition, mental health addition, mammography machine, new ambulance, bus, multiple equipment upgrades, and soon — a brand-new MRI machine coming to HCMH!

So grab your scrunchies, denim jackets, and favorite 90's gear — we're encouraging everyone to dress up and get into the 90's spirit!

By attending, you're helping the HCMH Foundation continue its mission of supporting the healthcare needs of Humboldt County. Tickets are \$70/person and available online at humboldthospital.org or by filling out and mailing back the information below.

Don't miss this unforgettable night of great food, live music, and community giving — all while celebrating the decade that started it all!
