*Megan Vote*

I would like to nominate Megan for a healthcare hero award. There are so many reasons why. Megan is the first to jump in and assist ANYONE who comes into administration with a question or just to satisfy their sweet tooth. She may say, "that's my job" (even if it isn't) but she will take it upon herself to get you an answer to your question or a solution to your problem even if she doesn't have it. She will take the task and get you a timely result when possible.

Megan truly is the grease that keeps all the gears spinning at HCMH. I'm not sure there is anything Megan can't do when it comes to assisting our staff and making sure to meet our needs.

She can be found making sure Payday Popcorn is getting popped, filling in at the cafeteria for meals to make sure we are fed, stepping in at Genevieve's, assisting in the coordination of all our hospital events in-house or outside of work, and being a friendly smile for visitors and guests who stop at her office. There are numerous other tasks that Megan completes and I'm sure we don't even know about half of them. In doing her job, she does it with an upbeat positive attitude, calm demeanor, and a smile on her face.

Megan is a role model to our culture both in what it means for our patients, families, and visitors and from one employee to another. Her positive attitude and willingness to help whenever and wherever allows all employees and patients to feel welcome and trusted whenever Megan is involved.

**Congratulations Megan on being a  
Humboldt County Memorial Hospital  
Healthcare Hero!**
