

Thank you for your commitment to

ALWAYS

providing exceptional care

Abigail Theisen

“Our dear mother and grandmother was admitted to hospice at HCMH. Abi was our main nurse for our stay.

The care she showed not only to Grandma, but to our family was above and beyond. She has such a caring sense about her, she did a phenomenal job of remembering our names, and took care of us, just as much as she took care of Grandma.

She is an amazing nurse, and an amazing human and we were so thankful for the care she gave to us.”

**Congratulations Abigail on being a
Humboldt County Memorial
Hospital Healthcare Hero!**
