Path of Life Garden

About

The Path of Life Garden offers a unique opportunity to memorialize the name of a beloved family member or friend in a permanent way.

This project was developed as a memorial to our loved ones. It was constructed for the enjoyment of the community as well as those who have used hospice.

You may wish to dedicate a brick in honor, in memory of, or in tribute to a special loved one.

Our hope is to create a place where people can spend some time where they find joy and a quiet place of remembrance.
